Mainland Coastal Centers

Proposed Amendments: N.J.A.C. 7:7E-5.2, 5B.3, 5B.4 and 7:7E Appendices 2, 3 and 4

Proposed New Rules: N.J.A.C. 7:7E-5B.6 and 7:7E Appendix 4

Take notice that on July 5, 2005, the Department of Environmental Protection (Department) published a proposal to re-establish certain coastal centers located on the mainland that expired on February 7, 2005 (see 37 N.J.R. 2351(a)). The Department has discovered that the proposal inadvertently failed to fully reflect the Department's intent with reference to the expired West Cape May coastal center. Corrections to the proposal to correct this oversight are specified below.

Particularly, the proposed amendments and new rules published July 5, 2005 inadvertently failed to fully reflect that the West Cape May expired coastal town, which is currently listed with all other expired coastal centers in Appendix 2 (specifically at Part III, Section E), does not qualify for immediate re-establishment under proposed N.J.A.C. 7:7E-5B.6(b)1 since West Cape May Borough did not hold a pre-petition meeting with the Office of Smart Growth prior to July 5, 2005. Accordingly, the West Cape May expired coastal town center is not proposed to be included in proposed Appendix 2, but instead, in accordance with proposed N.J.A.C. 7:7E-5B.6(a), should be listed in proposed Appendix 4. Please refer to the proposal published on July 5, 2005 for detailed information regarding the proposed new rules and proposed amendments.

THIS IS A COURTESY COPY OF THIS NOTICE OF ADMINISTRATIVE CORRECTION AND COMMENT PERIOD EXTENSION. THE OFFICIAL VERSION WILL BE PUBLISHED IN THE AUGUST 15, 2005, NEW JERSEY REGISTER. SHOULD THERE BE ANY DISCREPANCIES BETWEEN THIS TEXT AND THE OFFICIAL VERSION OF THE NOTICE, THE OFFICIAL VERSION WILL GOVERN.

This proposal was published in the New Jersey Register on July 5, 2005. The comment period for this proposal is scheduled to close on September 3, 2005. The Department is extending the comment period regarding the proposed amendments related to the West Cape May coastal center to Monday, October 14, 2005. The comment period for all other aspects of the proposal will expire on September 3, 2005.

As a result of this extension, written comments regarding the proposed amendments related to the West Cape May coastal center may be submitted by October 14, 2005 to:

Gary J. Brower, Esq.
Attention: DEP Docket No. 17-05-05/510
Office of Legal Affairs
Department of Environmental Protection
P.O. Box 402
Trenton, New Jersey 08625-0402

This notice serves to advise the public of the Department's intent to list the West Cape May expired coastal town in Appendix 4 upon adoption of the proposed amendments and new rules.

APPENDIX 2

BOUNDARIES OF MAINLAND COASTAL CENTERS IN THE CAFRA AREA [NOT LOCATED ON BARRIER ISLANDS, OCEANFRONT SPITS, OR PENINSULAS]

For purposes of N.J.A.C. 7:7E-5 and 5B, this appendix sets forth the boundaries of mainland coastal centers in the CAFRA area [other than those on the barrier islands,

THIS IS A COURTESY COPY OF THIS NOTICE OF ADMINISTRATIVE CORRECTION AND COMMENT PERIOD EXTENSION. THE OFFICIAL VERSION WILL BE PUBLISHED IN THE AUGUST 15, 2005, NEW JERSEY REGISTER. oceanfront spits, or peninsulas (the boundaries of which are set forth in Appendix 3)].

The areas listed at N.J.A.C. 7:7E-5B.6(e) shall not be considered part of a mainland coastal center, except for the purposes of N.J.A.C. 7:7E-5B.6(f). The boundaries of the non-mainland coastal centers are set forth in Appendix 3 and the expired boundaries of coastal centers are set forth in Appendix 4.

In accordance with N.J.A.C. 7:7E-5.3(c), the impervious cover allowed on a site within a Department-delineated coastal center must be placed on the net land area of the site, as determined under N.J.A.C. 7:7E-5.3(d). The placement of impervious cover on a site in a coastal center may be further restricted by other provisions of this chapter, including the Special Area rules at N.J.A.C. 7:7E-3.

The Department will update the list of mainland coastal centers in this appendix by notice of administrative change in the New Jersey Register in accordance with N.J.A.C. 7:7E-5B.6(d). The appendix is organized as follows: Counties are listed alphabetically. Within each county, the municipalities are listed alphabetically. Within each municipality, the mainland coastal centers are listed alphabetically.

Maps of the mainland coastal centers, for illustration only, may be reviewed at the Department, 401 East State Street, Trenton, New Jersey, (609) 292-1143. In case of any discrepancy between the maps and this text, this text shall govern. Note: When a point is described as being a certain distance from a particular street or railroad right-of-way, that distance is measured from the centerline of the right-of-way of such street or railroad unless otherwise specified. Coastal wetlands maps referenced are listed at N.J.A.C. 7:7-2.2(c) and are available from the Department at the Maps and Publications office, 428 East State Street, PO Box 438, Trenton, New Jersey, (609) 777-1308.
